(Check-writing privileges are available only with State Street Institutional U.S. Government Money Fund. Check-writing privileges are NOT available on Retirement accounts.) I hereby authorize State Street Bank to honor checks drawn by me on my Fund account and to effect a redemption of sufficient shares in my account to cover payment of such checks. The Fund is hereby authorized and directed to accept and act upon checks presented to it by State Street Bank and to redeem a sufficient number of shares for which certificates have not been issued in my shareholder account and forward the proceeds of such redemption to State Street Bank. I understand that: (1) this privilege may be changed, modified or terminated at any time by the Fund or State Street Bank and neither shall incur any liability to me for honoring checks, or for effecting redemptions to pay such checks, or for returning checks which have not been accepted; (2) checks drawn on a joint account will require the signature of each registered owner, unless indicated otherwise; (3) no check shall be issued or honored, or redemption effected, for any amounts represented by shares unless payment for such shares has been made in full and any checks given such payment have been collected through normal banking channels; and (4) this privilege is subject to all the terms and conditions contained in the Fund's prospectus and the Application for the purchase of Fund shares. I certify that all signatures on the reverse side are genuine and, for organizations, represent the individuals with legal capacity and authority to sign on behalf of the organizations.
